about five acres

Five Acres was founded in 1888 on the conviction that every child deserves a safe, loving and permanent family. Today, we strengthen families through community based mental and behavioral health care, domestic violence prevention, short term residential treatment and foster care and adoption.

Cottage Friends

Work directly with the staff in one of our residential cottages to develop recreational and educational activities for the kids.

Commitment: 2 hrs/week on weekends or evenings

requirements

All prospective volunteers working directly with children must be at least 21 years old and complete an application packet. After an interview, you must clear Live Scan fingerprinting and provide a current TB test before volunteering. Thank you for keeping our kids safe!
