

Five Acres is fortunate to have many generous supporters who help make holiday wishes come true for the children in residence and the hundreds of community-based families who rely on our support. Every year we strive to make the holidays a special, joyful time for these vulnerable children who have already overcome many challenges in their young lives.

Ways to help this holiday season.

Be a “Family Angel”

Family Angel donors sponsor a community-based family by granting at least one wish for each member of the assigned family. Requests for family size and child ages are accepted.

Be a “Cottage Angel”

Sponsor holiday beautification for one of the residential cottages or group home. A sponsorship of \$500 will provide a holiday tree, ornaments and home accents like garland, stockings and wreaths for 10 children living in our residential treatment center.

Sponsor a Holiday Wish Tree

For a more personal touch, sponsor a holiday wish tree. We provide holiday ornaments containing a child's wishes that you can use to decorate your office or bulletin board. Participants choose an ornament, purchase a new toy or gift from the list, and return it unwrapped with the ornament.

Hosting a Holiday Toy Drive

A Toy Drive is the perfect way to get in the holiday spirit and spread joy to children in need! Donors support our annual Holiday Toy Drive by donating a new, unwrapped toy or gift. We provide a list of items most frequently requested.
