

# Five Acres 4<sup>th</sup> Annual Clinical Conference

## Adapting Mental Health Care to a Changing Population

### February 9<sup>th</sup>, 2017

### Pasadena Convention Center

#### About Five Acres:

For over 128 years, Five Acres has provided uninterrupted service to over 100,000 vulnerable children and their families. Originally founded in downtown LA as an orphanage, our initial mission was simply to provide safety to children who had no home. In time, our mission expanded to also focus on the well-being of our clients and caring for the mental and emotional health of children who were increasingly coming to us as a result of abuse or neglect. Having grown to an agency caring for nearly 8,500 children and family members annually across five counties, we now strive for permanency – a permanent, loving home – for all those in our care.

These three pillars; safety, well-being and permanency provide the framework for all of Five Acres' current programs and they guide our steps into the future as we continue to seek even more effective means of caring for children and families in crisis.

#### The Event:

Five Acres is committed to excellence and provides consistent, high quality, culturally-responsive clinical training to the mental health community and other non-profit service providers. This year's conference focuses on how providers can adapt their services to the diverse needs of youths receiving mental health services within Los Angeles County. Additionally, all of our courses are approved for continuing education credit.

## Who Attends the Conference?

The professionals who will be attending this conference represent a broad spectrum of the mental health community , including mental health professionals, educators, government agencies, social service providers, administrators, and managers.

## Why Sponsor at our Conference?

The Five Acres Annual Clinical Conference provides your organization with a unique opportunity to support a high quality professional education, and will show your dedication toward improving the lives of vulnerable children and their families. Additionally, this event provides you with an opportunity to network with professionals in the mental health community as well as to grow your client base and increase your brand awareness. We are excited about this conference program and hope that you will join us by selecting one of the sponsorship choices. Sponsorship of the conference is tax deductible.

## What are the Benefits of Sponsoring?

*Exposure* - Enjoy exposure through our social media announcements and conference promotions.

*Visibility* – Your organization will be provided with on-site signage in high traffic areas \*
