Dear Friends,

For more than 130 years, Five Acres has committed to ensuring that every child belongs in a loving and permanent family. Five Acres has provided safety and permanency to over 10,000 children and families in 2019 alone. We're delighted to support their mission as co-chairs for *Sunsets in Santorini: Five Acres' Annual Gala*, a celebration of support for the thousands of vulnerable children and families they serve each year.

*Sunsets in Santorini: Five Acres' Annual Gala* will gather fellow child welfare advocates at the Mediterranean home of Diane & John Vidalakis in Pasadena on Saturday, May 2, 2020. Inspired by the beautiful blue and white of the Greek Isles, this night of gourmet food, cocktails, music and dancing will reflect our love and support for the over 20,000 children living in foster care within our cities, needing permanent family solutions.

We invite you to join us as a sponsor or underwriter for this meaningful event. By supporting Five Acres' critical programs including foster care, adoption, therapeutic residential care and mental health care for at-risk families, you can help stem the tide of children entering the foster system. Your generosity will directly connect children in need with safe, permanent families of their own. Let's transform what home looks like for kids in Southern California.

Please join us on May 2, 2020 for Sunsets in Santorini at the Vidalakis' beautiful home.
