Dear Friend,

Five Acres has been working for safety, well-being, and permanency for all children since 1888 and has served over 300,000 children and their families since the agency was founded 136 years ago. On Monday, September 16, 2024, we will gather for the Five Acres' 36th Annual Golf Classic and Dinner at Annandale Golf Club in Pasadena to raise funds for the agency's programs and services. The golf tournament will feature unique enhancements, and the celebration afterwards will be a Nashville style dinner. Highlights of the evening will include Southern cuisine and an enticing live auction.

The Five Acres Golf Classic has raised over \$7.4 million since its inception in 1988. Our goal this year is to raise \$300,000 or more to support the most vulnerable children in our community. Proceeds from this event will fund the residential treatment program, community based and specialty services, and adoption and foster placement. These programs provide safety, well-being, and permanency to children in the foster care system. Additionally, Five Acres works with children and their families to help them heal and thrive at home and school.

We hope you will join us in supporting Five Acres and consider becoming a sponsor, underwriter, or donor of the 36th Annual Golf Classic and Dinner. Let us know if you have any questions. Thank you for your consideration, and we look forward to celebrating with you on September 16th!

With gratitude,

Nick Mosaquites and Rachel Duarte Mosaquites
